DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, deny

and do hereby grant the same, ~~subject to the following limitations and~~

~~conditions~~

on grounds that the waters of the White River Slough are fully appropriated and that the granting of this application would impair the value of existing rights and would be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

Work must be prosecuted with reasonable diligence and be completed on or before _____

Proof of completion of work shall be filed before _____

Application of water to beneficial use shall be made on or before _____

use must be filed with State Engineer on or before _____
